

Section 4000 – Business Management

4430 Personal and Business Transportation Services

4430

The Board recognizes the needs of the District to own or lease vehicles to carry out the instructional program and the business of operating the schools. The Superintendent is authorized to determine the extent to which District owned vehicles might be used for official school business. Such vehicles shall not be used for personal travel unless expressly approved by the Board. Drivers of school owned vehicles shall be properly licensed.
