

## **Section 4000 – Business Management**

4520-R Filtering Software (Cf. 4510)

4520-R

Any District computer used by students shall have Internet filtering software in place either on the computer itself, or on the server through which the computer accesses the Internet.

District staff shall not allow students to use any computer in the District with Internet capability that does not have Internet filtering software. This includes any computer, laptop, or desktop, in the District's Libraries or media centers, classrooms, laboratories, or offices where students are, for any reason, allowed to use a computer, or any other such device, with Internet access.

Staff members violating these rules are subject to disciplinary action up to and including discharge.
