

Section 7000 – Instructional Program

7480 Resource Speakers (Cf. 7760)

7480

No overall standard can be established which will automatically separate and exclude a person whose views or manner of presentation may actually obstruct the educational process or jeopardize the health and safety of students or staff. However, in an effort to uphold the students' freedom to learn while also recognizing obligations, which the exercise of this freedom entails, the Board does establish guidelines, found in 7480-R, that govern the selection of resource speakers to be used in any attendance center in the District.
