

Section 9000 – General Public and Organizational Relations

9100-R Board-Community Relations

9100-R

1. The Superintendent and staff shall disseminate information on a regular basis to inform individual citizens and organizations about educational matters, including programs, services, revenues, and expenditures.
2. The Superintendent and staff shall encourage meaningful community participation in the schools at every level.
3. Staff will provide opportunities and encourage citizens to share their views about the Grand Rapids Public Schools.
4. The Superintendent shall also seek individual and group opinions on school affairs through public meetings and the periodic use of attitudinal surveys.
5. Information about school district operations shall be made available to the news media on a consistent basis.

Rules Accepted: June 29, 2009
