

Section 9000 – General Public and Organizational Relations

9620 Relations with Political Organizations (Cf. 7760)

9620

Political candidates or political parties shall be prohibited from promoting candidates or political party activities in school buildings during school hours except as they might be invited to speak, either as part of a class project or as part of the instructional program, as provided in the policy on controversial speakers.

Such organizations may use school facilities in accordance with Board policy.

The circulation of petitions is not permissible when done during an employee's or student's assigned working hours.
