Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Sherwood Park Global Studies Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact me at HenryT@grps.org or call our school's main office at 616-819-3095 for assistance.

[The AER is available for you to review electronically by clicking this link](#) , or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

[Click here to view the School Index Overview for our school.](#) This site provides additional information about key performance indicators.

We continue to implement the district's Academic Plan that focuses on creating a learning culture to advance students' thinking and providing a rigorous and standards-based curriculum to help students achieve College- and Career-Readiness by the time they graduate.

State law requires that we also report additional information.

About Our School

Sherwood Park Global Studies Academy is where tradition meets technology in preparing students for the global economy. Sherwood offers an educational program that focuses on language and global studies. The following theme-based studies are featured: geography and global studies extensions, citizenship skills, leadership programs, English as a Second Language (ESL), cultural arts, and school-wide enrichments. These themes are woven into the core subject areas. Sherwood will become an International Baccalaureate (IB) candidacy school during the 2017-2018 school year.

Mission Statement

Our mission is to provide students with opportunities to learn about global concerns and nurture acceptance of different cultures. We will conduct project-based learning, service-learning projects, and life experiences that enhance global competencies and encourage students to be lifelong learners.

Process for Assigning Pupils to Our School

Our school is a theme school with a neighborhood attendance area. Students who reside in our attendance area are eligible to enroll in our school. [Click here to view the GRPS Attendance Area Finder.](#) It shows the neighborhood elementary school, middle school, and high school for your address. Additional options, including K-8 schools, theme schools, and Centers of Innovation are available. Please contact Student Services at 616-819-2150 to learn more about your school choices.

Core Curriculum

GRPS continues to...

- Align curricula to Michigan Grade Level Content Standards and College and Career Readiness Standards.
- Provide professional development that supports our Academic Plan.
- Assess student learning so teachers have accurate information about each student.
- Define individualized student targets, school-wide targets, and district achievement targets.

[The GRPS Parent University website links parents to resources such as *Milestones* \(provided by *GreatSchools*\), a collection of online videos aimed to help parents understand their child's grade-level expectations.](#) These videos show students demonstrating what success looks like in reading, writing, and math for every grade level.

Local Assessment Results

NWEA's Measures of Academic Progress (MAP) is the district's local assessment. The table below reflects the proportion of students who scored at or above the 50th National Percentile in Reading and Math during Spring 2022 and Spring 2023.
