February 4, 2024

Aberdeen Families,

Our library is getting a much-needed overhaul. We will be getting around 4,500 NEW BOOKS at the end of February and we need to make room! This means your student may be bringing home former library books to keep. Old books are being included in any book swaps we have and we will also be having book giveaways throughout February.

Any books that are for students to keep will have the barcode removed or blacked out, and they will also have a “discard” stamp on the inside. Books with an intact barcode are still library books and should be returned to the Aberdeen Academy Library.

The library will be closed starting Monday, February 26th, and will reopen with all of our brand new books available to be checked out on Monday, March 4th.

If you have any questions, please contact the library directly at (616) 819-4889.

Happy Reading!
