- 06/03 8th Grade Celebration , 1:30pm
- 06/04 Half Day
- 06/05 Half Day
- 06/06 Half Day

## SPRING TESTING

We will continue testing in May. All students should get a good night's sleep every night. It is recommended that children 6 to 12 years old get 9-12 hours of sleep each night and teens 13-18 get 8-10 hours. Students should also eat breakfast at home or at school so that they are energized and ready to learn each day.

**Please make sure your student brings a full water bottle to school daily.**

**If you have not already done so, please go to [enroll.grps.org](https://enroll.grps.org) to register your students for next school year.** You will need your ParentVue login information.

If you have **concerns about busing**, remember that Dean transportation is having another open house. The open house will be May 15 from 2-6 pm. at Dean Transportation's Grand Rapids location, 900 Union Ave. NE. <https://grps.org/pub/stories/view/dean-transportation-hosting-open-houses-to-engage-families>

## Strive to Arrive on Time

Our School day at Aberdeen starts at 8:30 AM. Getting to school on time helps students to get into the day's routine. When students arrive a few minutes late, they are walking into the middle of a lesson. When they arrive a half-hour or more late, they may have missed the lesson completely. Arriving on time is just as important as being in school. Remember that **dismissal is at 3:26**

The **spring music concert** on May 30 is canceled. Instead, students will have a performance for one another in-school on **May 21** and we will post a video for families

If your scholar is not attending Summer School, another option is to participate in the [GRASP](#) program, which is also free for GRPS K-8<sup>th</sup> grade scholars.
