9720

The Board encourages parent(s)/guardian(s) involvement in the schools through programs and activities designed to increase parent(s)/guardian(s)-school communications and to involve parent(s)/guardian(s) in the development and implementation of educational policies and school programs.

The Superintendent is responsible for facilitating parent(s)/guardian(s) involvement in the schools by affording special consideration to single and working parent(s)/guardian(s). Schools should schedule meetings, programs, and events so that working parent(s)/guardian(s) can attend.
