CONTRACT DOCUMENTS

The Contract Documents, alone, detail the requirements of the project, and bids shall be based only on information presented there. Information obtained from others shall not affect the risks or obligations assumed the Constructor or relieve the Constructor from fulfilling any part of the contract.

SUBSTITUTIONS DURING THE BIDDING PERIOD

Unless otherwise noted, manufacturers and products not named in the specifications will be given consideration during the bidding period. Written approval from the Design Professional shall be obtained before a bidder uses substitute materials or manufacturers in its bid estimate. Bidders who base their bids on substitute materials or manufacturers without the Design Professional's written approval do so at their own risk.

Requests for substitutions during the bidding period must be received at least ten calendar days prior to bid date and may be emailed to the Design Professional at the email address noted above. The burden of showing the requested product is an adequate substitution for the specified product rests with the Bidder.

Substitution requests shall be reviewed by the Design Professional for quality and function, only. The Design Professional's approval of a substitution shall be communicated to all plan holders in an addendum. Bidders shall be responsible for any unforeseen costs that result from using an approved substitution.

TIME FOR COMPLETION

The Constructor shall be 100% complete with the work on or before 12/31/2024. Unless an alternative necessary schedule is submitted and approved by GRPS.

Conditions precedent to establishing final completion include:

- A. Final inspection and approval by all relevant agencies.
- B. All punch list items having been completed and accepted by Owner.
- C. Manufacturer inspection, approval, and warranties.
- D. Issuance of a Certificate of Occupancy, if necessary.

RESPONSIBILITY OF BIDDERS

Bidders shall study the bid documents and visit the site to satisfy themselves of all conditions before submitting a bid. It is incumbent upon bidders to reconcile any ambiguities, errors or omissions in the documents discovered during the bidding period.

It is the responsibility of each bidder to take those steps necessary to satisfy itself of the physical conditions under which the Work will be performed and the condition of the existing facilities, including those which may not be a part of the Work but could be affected by the performance of the Work, and (b) account for all general, local and prevailing conditions at or near the site that may in any manner affect the cost, schedule, progress or performance of the Work.

Questions about the bid documents, the intent of the design, or errors or omissions discovered in the documents shall be formally submitted to the Design Professional by email at the address given above not less than 10 calendar days prior to the date set for receipt of bids.

Other upgrades are expected to be taking place concurrently and the awarded contractor will be expected to cooperate with GRPS management team, design team, and other contractors on scheduling project activities to ensure a successful project deliverables.

INSPECTION OF PREMISES

Most GRPS buildings are occupied Monday through Friday from 7:30 AM until 4:00 PM. Bidders may visit occupied buildings during those hours.

In order to maintain a safe and orderly environment, visitors shall proceed directly to the main office when entering a Grand Rapids Public School building. Identify yourself and state your business. When you have completed your business, please check out at the office.

Call Ronnie Sluiter at Facilities & Operations at (616) 819-3010, prior to visiting a secured site, to arrange for entry and to receive custodial assistance.

COST CONSIDERATIONS

Unless specifically noted otherwise, bids shall include the following costs:

1. Permits, fees, notices, etc. for any federal, state or local government agency having jurisdiction over the project.
2. Inspections by building authorities and other government agencies.

3. Maintaining an environment in compliance with all rules, statutes, regulations and codes covering an occupied school facility.
4. All equipment required to fully and safely complete the work. No equipment shall be furnished by or borrowed from Owner.
5. Unless otherwise noted, during Constructor's performance of the Work, Owner will continue to occupy the building. The Constructor shall provide labor, materials and equipment to construct, maintain and remove all temporary enclosures needed to comply with State of Michigan Fire Code and/or to prevent dust, noise, odors and debris in a construction area from entering the remainder of the building.
6. During the school day, construction operations shall be limited to those methods and procedures that do not adversely affect the environment of Owner's occupied space, including noise, odors, dust, lighting hazards and other undesirable effects and conditions.
7. Prevailing Wages DO, DO NOT apply to this Project.

BID SECURITY

Bid security shall be made payable to "Grand Rapids Public Schools" in the form of a certified or cashier's check or money order drawn upon a bank insured by an agency of the Federal government, or an executed Bid Bond on ConsensusDocs form 262, AIA form A310, or a substantially similar form in the amount of 10% of the bid. A bid bond shall be executed with a surety authorized to do business in the State. A certified or cashier's check or money order submitted as bid security shall be held by the Owner until a contract has been executed.

BIDDING PROCEDURES

1. Bids shall be submitted on the Bid Form included with this document. All blank spaces shall be printed in ink or typewritten. The Bid Form must be fully completed, signed and sealed. In the event of a discrepancy between the words and figures entered on the Bid Form, the written word shall take precedence over the numerical figures.
2. Three originals of the bid shall be submitted in a sealed, opaque envelope bearing the following information clearly marked on the outside:

Grand Rapids Public Schools
 Attn: Mr. Hady ElSayed, Director of Planning, Design, and Construction
 900 Union Avenue NE
 Grand Rapids, MI 49503

Sealed bid for:

Innovation Central High School Replacing Drapery, Fire Curtain, and Rigging Systems Supply and Install new Orchestra Shell

The envelope shall also bear on the outside, the name of the bidding firm, its address and telephone number.

3. Include bid security in the amount identified above.
4. Include a completed and signed Statement of Familial Relationship or the bid may be disqualified.
5. Include a completed and signed Iran Business Relationship Affidavit or the bid may be disqualified.

6. Include completed DTMB documents: Demographics, Statistics and Certification and Certification of a Michigan-based business. These forms are collected for statistical purposes and will not affect award of the contract.
7. Include a completed and signed Debarment and Suspension Certification.
8. Bids will be received until the time and date noted above at the location noted above, unless modified by Addendum, at which time all bids will be opened and read aloud.
9. Bids received after the date and time set for receipt of bids will not be considered or accepted.
10. Bids transmitted by fax, telephone, or electronic mail will not be accepted.

EVALUATION AND AWARD

1. The Owner may waive informalities or minor defects in a bid, may reject any and all bids, or may award to any bidder, regardless of bid amount, when the Owner deems it is in its best interest.
2. Any bid that is incomplete, obscure, or irregular may be rejected. Bids having erasures or corrections may be rejected. Bids that omit a price on any item in the Bid Form may be rejected. A bid for which unit prices are omitted or for which unit prices are, in the sole opinion of GRPS, unbalanced may be rejected. Any bid accompanied by insufficient or unacceptable bid surety may be rejected. A conditional or qualified bid may be rejected.
3. The Owner reserves the right to reject all bids if all bids exceed its budget for contract award.
4. In accordance with GRPS Policy 3670, a bid discount will be applied to bids from bidders who qualify as a local vendor. Non-local bidders can obtain a bid discount based on the percentage of the bid price that will be awarded to local subcontractors. Certification of the amount to be subcontracted will be required prior to award. GRPS Policy 3670 is attached to the Bid Form.
5. Upon approval of contract award by the GRPS Board of Education, the Owner will issue a Notice of Award to that bidder making Grand Rapids Public Schools the most advantageous offer. Payment and performance bonds will be required if the award amount is \$50,000 or more. Once Notice of Award has been issued, the prospective contractor shall obtain and submit payment and performance bonds, if necessary, insurance in accordance with the terms of the construction contract and any additional documentation requested by the Owner.
6. Upon receipt of acceptable payment and performance bonds, if necessary, an insurance certificate showing coverages and limits in accordance with the contract, and any additional documentation requested by the Owner, a contract will be forwarded for signature.

INSTRUCTIONS SUBSEQUENT TO AWARD

1. After executing a contract, the Owner will issue a Notice to Proceed identifying the agreed upon start date. No work shall be performed prior to the start date in the Notice to Proceed.
2. If requested, the Constructor will be furnished, free of charge, up to 3 copies of drawings and specifications, with Amendments current at time of award. Additional copies will be furnished, at cost, payable to the Owner.

GRPS Policy 3670 – Local Construction Contracting

The District provides a preference (bid discount) in construction contracts from local vendors, providing the quality and service are commensurate with the requirements set forth by the District as to satisfy the demands of the bid or proposal. Bids, or proposals when bids are not required, shall be accepted from non-local vendors in order to maintain a fair market price.

In determining the qualification for a Local Purchasing Preference for purposes of this policy, vendors must have obtained the Certification of a Michigan Based Business as determined by the Michigan Department of Technology, Management and Budget as well as meet one of the following criteria:

- a. For at least the last six months had its primary business operations located within the municipality boundaries of the City of Grand Rapids, Michigan (Grand Rapids).
- b. Be certified by the City of Grand Rapids, as a Micro-Local Business Enterprise and have its primary business operations within the municipality boundaries of the City of Grand Rapids.

A successful recipient of a contract and/or purchase order which has received a Local Purchasing Preference may be required to present proof of its status as a Michigan Based Business and documentation of its location within the City of Grand Rapids at any time upon request from an authorized District official. Failure to provide the requested information or failure to maintain business operations with the city of Grand Rapids for the duration of the contract will make the contract voidable at the District's discretion, and will result in disqualification from future consideration of a Local Purchasing Preference for a period of five years unless excused by the Superintendent or Designee.

Preference will be provided on the following basis:

- a. **Constructor Participation:** Grand Rapids Public Schools will provide up to a 5% bid discount to prime contractors and/or construction managers who satisfy the criteria set forth for consideration as a Local Vendor.
- b. **Subcontractor Participation:** Construction bids for non-local vendors may be discounted when a bidder on a Grand Rapids Public Schools' project voluntarily subcontracts with businesses meeting Local Vendor Criteria. Prime contractors and/or construction managers must submit affidavit(s) verifying Local Vendor subcontractor participation.

Prime contractors and/or construction managers must require Local Vendor certification documentation to be submitted by each subcontract bidder with their sealed bid. The District at its discretion can request additional documentation for verification of the qualification of any Local Vendor subcontractor participating in a construction project.

- c. The following is a schedule of discounted percentages based upon Local Vendor subcontractor participation achieved by the prime Constructor:

<u>LV Subcontractor Participation</u>	<u>Discount Percentage</u>
i. 1.00% – 2.5%	1.0%
ii. 2.51% – 5.0%	1.5%
iii. 5.01% – 7.5%	2.0%
iv. 7.51% – 10.0%	2.5%
v. 10.01% – 15.0%	3.0%
vi. 15.01% – 18.0%	4.0%
vii. 18.01% +	5.0%

- d. Prime contractors and/or construction managers may not terminate an approved Local Vendor subcontractor working on a Grand Rapids Public Schools construction project, and then perform the work on the terminated subcontract with its own forces or those of another subcontractor, without prior written consent by the Grand Rapids Public Schools Executive Director of Facilities Planning and Management. If a Local Vendor subcontractor fails to complete its work on the contract for any reason, a prime Constructor/construction manager must notify the Grand Rapids Public Schools

Executive Director of Facilities Planning and Management and make good faith efforts to find another approved Local Vendor subcontractor to substitute for the original Local Vendor subcontractor. Utilizing good faith efforts, and to the extent reasonable, the prime Constructor/construction manager shall substitute an approved Local Vendor subcontractor to perform the same amount of work under the contract as the Local Vendor subcontractor that was terminated.

- e. Joint Venture Bidding: As an incentive to contractors engaging in activities that stimulate the growth and development of local, small emerging businesses as partners bidding as a joint venture, Grand Rapids Public School will apply up to a 5% bid discount for partnering with a qualified Local Vendor.
- f. The Bid Discounts outlined above may not exceed 5% or \$25,000 per bid, whichever is lower. Project bids from prime contractors and/or construction managers are considered a single bid for purposes of the Bid Discount consideration.

Grand Rapids Public Schools, Board of Education Members and employees are prohibited from having any financial interest or personal beneficial interest either directly or indirectly, in the award of any construction contracts, sub-contracts, or the recommendation/selection of any professional design service or construction manager, unless previously disclosed in writing to the Superintendent and approved in writing by the Superintendent.

This policy shall not apply to the extent that it would conflict with any provision of Michigan or federal law, regulation or constitution. The local preference shall not be applied to purchases of goods and services made with federal funds.

GRPS Policy Rules 3670R – Local Construction Contracting Regulations

Qualification for Local Construction Contracting Preference

On an annual basis beginning with July 1st of each fiscal year, a vendor desiring to receive a bid discount for local construction contracting may submit appropriate documentation to the Executive Director of Facilities and Operations. Appropriate documentation shall include the following:

- a. Proof of completed submittal of Certification of a Michigan Based Business as determined by the Michigan Department of Technology, Management, and Budget
and

- b. Proof it has its primary business operations located within the municipality of the City of Grand Rapids, Michigan for the past six months (on company letterhead)

or

Proof it has been certified as a Micro-Local Business Enterprise by the City of Grand Rapids and has its primary business operations within the municipality boundaries of the City of Grand Rapids (on company letterhead)

A firm may submit the same documentation with its sealed bid or proposal in order to qualify for the bid discount.

Non-Local Vendors

A non-local vendor may qualify for a bid discount if it voluntarily subcontracts with businesses that meet the above documentation requirements. Proof of subcontractors meeting these requirements must be submitted with the sealed bid or proposal in order to qualify for the discount.

Local subcontractor participation will be based on the value of the local subcontracts as compared to the total bid or proposal

Joint Venture Bidding

Contractors that engage in joint venture bidding with a local, small emerging business partner will need to submit documentation of participation level with the sealed bid or proposal. The local bid discount will be based on the value of the local, small emerging business partner as compared to the total bid or proposal.

Eligibility/Verification

The District may request documentation at the conclusion of a project for which a bid discount was received verifying eligibility with local bid discount criteria. If it is determined that a vendor did not actually meet the terms of local preference, disqualification from future consideration of a local purchasing preference may occur for a period of five years unless excused by the Superintendent or Designee.

WORK DESCRIPTION
DRAWINGS, SKETCHES, SPECIFICATIONS

SECTION 01000
GENERAL REQUIREMENTS

PART 1 – GENERAL

1.1 FIELD CONDITIONS AND DIMENSIONS

- A. Prior to doing any work, verify all dimensions, details, quantities, and conditions which may affect the work. No allowance for additional compensation will be considered for discrepancies between dimensions indicated on the drawings and actual field dimensions.

1.2 SUBSTITUTIONS AFTER CONTRACT AWARD

- A. The Owner will consider substitution requests only if the proposed substitute offers the Owner cost or schedule advantages. A request for a substitution shall include a proposal for adjustments to the contract price and/or time if the substitution is approved. The Constructor shall bear the burden of providing the Design Professional any technical, cost or schedule data needed to evaluate the proposed substitution.
- B. The Design Professional shall review the substitution proposal for quality and function, only. The Constructor shall be responsible for any unforeseen costs associated with using an approved substitution.

1.3 CONTRACT DOCUMENTS

- A. The Contract Documents, alone, detail the requirements of the project. Information obtained from an officer, agent, consultant or employee of the Owner or any other person shall not affect the risks or obligations assumed or relieve the Constructor from fulfilling any part of the contract.

1.4 ASBESTOS

- A. All material to be used in the work shall be certified by the manufacturer to be free of any amount of asbestos. No material will be permitted on the site without such certification.
- B. The Constructor should review the Owner's material management plan for their information regarding asbestos. The Constructor must provide an affidavit stating that no asbestos was used in the project. Any asbestos containing material installed under this Contract by the Constructor shall be removed and replaced with like asbestos-free materials, all at the cost of the Constructor.

1.5 LEAD PAINT

- A. Lead Paint: This renovation project may involve activities that disturb lead-based paint. It is the responsibility of the Constructor to determine if the building to be renovated is a **Child-Occupied Facility** as defined under the EPA regulation **Renovation, Repair, and Painting Final Rule (RRP Rule)**. All covered renovations to a **Child-Occupied Facility** must be performed by Certified Firms, using Certified Renovators and other trained workers.

1.6 PROGRESS MEETINGS

- A. The Owner may schedule progress meetings to be held on the jobsite whenever needed to supply information necessary to complete the work without interruptions.
- B. The Constructor shall be represented at each progress meeting by persons with full authority to act for the Constructor in regard to all portions of the work.

1.7 WORKMANSHIP

- A. Except when the Contract Documents note otherwise, the Constructor shall be fully responsible for all construction means, methods, techniques, sequences, and procedures and for coordinating all portions of the work under the Contract with the Owner.

The Constructor shall provide an authorized representative at the site – at all times during working hours – to receive and execute orders by the Owner. All such orders given to the Constructor's representative shall be deemed as given to and received by the Constructor.

- B. The Constructor shall maintain a copy of the Contract Documents at the project site at all times.

1.8 LAWS

- A. The Constructor shall comply with all applicable laws, ordinances, and the rules and regulations of all authorities having jurisdiction over the construction of the project.

1.9 CODE AND REGULATION COMPLIANCE

- A. Comply with all applicable federal, state, and local codes and regulations relating to buildings, employment, the preservation of public health and safety, use of streets, and the performance of the work under this Contract. It shall be the responsibility of the Constructor to fully understand all such requirements and to ensure that the subject requirements are fully and faithfully enforced.
- B. Any work performed that the Constructor knew or should have known was contrary to existing laws, rules and regulations, and for which the Constructor failed to give notice of such fact to the Owner, shall be the responsibility of the Constructor to correct. The Constructor shall bear all costs arising therefrom and hold the Owner harmless for any such violation.

- C. Upon completion of the Work, the Constructor shall submit to the Owner a certificate of inspection by the governmental authority having jurisdiction, showing that all work subject to inspection has been properly inspected and approved to meet current code requirements.
- D. Covid-19 Safety Update. In light of the Coronavirus Disease 2019 (COVID-19), GRPS is requiring special health and safety measures for everyone. All contractors must meet Federal, State, CDC and OSHA guidelines as it relates to Covid-19. Specifically, a safety plan that is in Compliance with OSHA 3990-3 2020 must be in place prior to work in any GRPS facilities.

1.10 PROJECT SAFETY

SAFETY IS OF ABSOLUTE IMPORTANCE. The Constructor shall be solely responsible for initiating, maintaining, and supervising all safety precautions and programs associated with the Work. Under no circumstances shall the Constructor's activities jeopardize the safety of a building's occupants, construction workers or the general public.

- A. All Work must be executed in accordance with applicable standards of the Construction Safety and Health Division of the State of Michigan Department of Licensing and Regulatory Affairs.
- B. The requirements indicated in this section are to be considered the minimum. Where the requirements of any of the listed authorities having jurisdiction conflict with the requirements of this section, the maximum condition shall prevail.
- C. The Constructor shall furnish, install and maintain as long as necessary and remove when no longer required, adequate barriers, warning signs and lights or other necessary or prudent safety measures at all dangerous locations during work operations for the protection of Constructor personnel, building occupants, and the general public. Provide and erect all such safety precautions in accordance with federal, state and local codes and other legal requirements.
- D. Whenever lifting materials or equipment over or near existing or occupied buildings, provide advance notice of such activities and arrange to have any potentially endangered spaces vacated.
- E. During work operations, provide temporary partitions, barriers, curtains, and guards as necessary to confine materials, dust and debris to the immediate work areas. Do not allow dust or debris to enter the building interior. Coordinate the location of temporary barriers or partitions with the Owner.
- F. Remove all temporary protection when work is completed and restore disturbed areas to their original condition.
- G. The Constructor shall hold the Owner harmless from damage or claims arising out of any injury or damage that may be sustained by any person or persons as a result of the work under the Contract.

1.11 PROTECTION OF PROPERTY

- A. Coordinate all Work with the Owner so that adequate interior protection, as necessary, is provided and disruption to normal building operations is minimized. Repair all property damage caused by lack of such protection to the satisfaction of the Owner.
- B. Confine equipment, storage of materials, debris, and the operation and movements of workmen within the physical limits and time limits directed by the Owner. Such activities are to be governed by applicable local building codes and the traffic regulation and safety and fire regulation of local authorities.
- C. Document existing damage prior to the start of work to avoid responsibility for preexisting conditions. During work operations, provide protection for existing building, finishes, walks, drives, and landscaping in and adjacent to the work areas. Repair or replace building components or site property damaged during the work to match its condition before the damage. If the Constructor fails to repair or replace such damage, the Owner will have the work done by others and the costs of such work will be charged to the Constructor.
- D. Do not store materials, tools, or equipment on any existing roof area adjacent to the work site unless proper protection of the existing roof is provided and the materials are spread out and located at column locations.
- E. The Constructor shall hold the Owner harmless against all claims of damage or alleged damage to any such structure arising out of the work under this Contract.

1.12 FIRE SAFETY

- A. No open fire is permitted on the building site at any time (except for torches to apply modified roof membrane).
- B. Take all precautions to eliminate possible fire hazards at the site, including but not limited to the following:
 - 1. Remove all combustible debris from the roof and storage areas on a daily basis.
 - 2. Store highly flammable materials in well-ventilated areas; mixing and preparation of such materials is also restricted to such areas. Handle all such materials in accordance with safe practices and the requirements of authorities having jurisdiction.
 - 3. The Constructor shall not store large quantities of flammable materials at the site.

1.13 VANDALISM

- A. The cost for any damage by vandalism to material or equipment or that which occurs to items finished or installed under this contract, is to be borne by the Constructor. The Constructor is responsible for such vandalism from the date of the Notice to Proceed until Final Completion.

1.14 TEMPORARY UTILITIES AND FACILITIES

- A. Water and electricity may be available in the area where work will be performed. If so, the Constructor will not be charged for reasonable use of these services for construction operations. The Constructor shall pay costs for installation and removal of any temporary connections including necessary safety devices and controls.

1.15 MISCELLANEOUS FACILITIES AND CONTROLS

- A. New materials delivered to and stored outdoors on the jobsite shall be fully protected from weather by placement on raised platforms and shall have secure waterproof plastic coverings or tarpaulins. The waterproof plastic coverings or tarpaulins shall not extend all the way to the ground surface. They shall terminate a few inches above the ground surface. Factory-provided plastic wrap is not an acceptable waterproof covering.
- B. Contractors and their employees or suppliers will not use or interfere with existing public access, drives, roads or parking lots, except as specifically indicated by prior arrangement with the Owner.
- C. Constructor's employee parking, delivery trucks and other construction vehicle parking will only be allowed in areas designated by the Owner.
- D. The Constructor shall provide and regularly maintain portable sanitary facilities at the site. The contractors' employees shall not utilize the restrooms in the school buildings.

1.16 NO SMOKING POLICY

- A. The use of tobacco products on school property is a misdemeanor under MCL 750.473. No tobacco products will be allowed anywhere on school property at any time.

1.17 REMOVAL OF DEBRIS

- A. Remove all rubbish and debris from the site daily or more often if directed by the Owner. The premises shall be maintained as clean as practical, consistent with the neatness required for the Owner's normal operations.
- B. No storage of removed items or debris will be permitted on the site unless so directed by the Owner.
- C. The location of the trash containers is subject to the Owner's approval.
- D. During non-construction hours, cover and seal trash containers to prevent wind-blown debris and access into trash containers.
