## SCHOOL AGE CHILD CARE

Young 5's - 8th grade\* | Y Membership NOT required

**A safe place to learn, have fun, and get active. Through guided play children learn values, positive behaviors, to respect themselves and others, work out their differences and discover the value of friendship.**

Academic support from caring role models enriches your child's educational experience and enables families to spend more quality time together. The Y's School Age Care program is centered upon activities and opportunities that focus on the following components:

- Character Development
- Literacy
- Science, Technology, Engineering, Arts, and Math
- Health, Wellness, and Fitness
- 21st Century Skills
- Academic Support
