

## **Section 5000 – Personnel**

5340 Staff Health and Safety (Cf. 5370)

5340

The Board shall attempt to ensure staff health, safety, and protection during working hours.

The Board shall comply with the provisions of the federal and Michigan Occupational Safety and Health Act as they apply regarding the employee's right to know of hazardous conditions or materials. The Superintendent shall develop appropriate procedures for informing staff.

Approved: June 29, 2009
