

## **Section 8000 – Students**

8760 Employment of Students

8760

The Board recognizes that employment during school hours will be desirable for some students and necessary for others. A Board goal is to encourage students to complete their educational requirements of state law, the State Board of Education and the Board satisfactorily.

### School Employment

The District may employ students for positions that conform to budget limitations, personnel requirements, and student accounting rules.

### Outside Employment

Students will not be excused from school for employment purposes when such work infringes upon their schoolwork.

### Job Placement Service

The District's staff shall work closely with other agencies in finding appropriate jobs for both graduating students and students who need to augment their incomes while attending school.
