

Section 8000 – Students

8050-R Grade Reporting for Secondary Students (Cf. 7560)

8050-R

Each Principal shall explain and interpret Policy #8050 to all teachers in each school annually.

The Principal will also be responsible for the enforcement of this regulation fairly and equitably for all secondary students.

1. Report cards will be issued for all students.
2. Teachers are to discuss and distribute to their students during the first week of each semester/trimester the course objectives, grading policy, absence policy, classroom work required, homework policy, and test and/or examination information.
3. The teachers will notify the parent/guardian midway through each marking period that the pupil is in danger of receiving a failing grade.
 - a. This notification shall be by a written interim deficiency report that shall be mailed home.
 - b. A personal conference will be held if requested by the teacher and/or the parent/guardian at a mutually agreed upon time.
4. The refusal of a parent/guardian to respond to the written report shall not preclude the teacher from failing a student at the end of a credit granting period.
