

## **Section 9000 – General Public and Organizational Relations**

9190 Interviews with Students

9190

Any representative of the news media or other person not employed by or serving on behalf of the District seeking to interview a student during regular school hours or on school property must first gain the approval of the student's parent (if appropriate) and the Superintendent. Once approval is granted, the building principal will be authorized to facilitate the interview.
