Patient Protection Model Disclosure

BCBSM generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact BCBSM.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from BCBSM or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact BCBSM.

Uniformed Services Employment and Reemployment Rights Act (USERRA)

Your right to continued participation in the Plan during leaves of absence for active military duty is protected by the Uniformed Services Employment and Reemployment Rights Act (USERRA). Accordingly, if you are absent from work due to a period of active duty in the military for less than 31- days, your Plan participation will not be interrupted. If the absence is for more than 31-days and not more than 12-weeks, you may continue to maintain your coverage under the Plan by paying premiums.

If you do not elect to continue to participate in the Plan during an absence for military duty that is more than 31- days, or if you revoke a prior election to continue to participate for up to 12-weeks after your military leave began, you and your covered family members will have the opportunity to elect COBRA Continuation Coverage only under the medical insurance policy for the 24-month period (18-month period if you elected coverage prior to December 10, 2004) that begins on the first day of your leave of absence. You must pay the premiums for Continuation Coverage with after-tax funds, subject to the rules that are set out in that plan.

GINA Notice

The Genetic Information Non-Discrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. Genetic information as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.
